

Chamber of Indian Micro Small & Medium Enterprises Presents

MSME & STARTUP MANTHAN - 2023

 **New Delhi**

 **November 04, 2023**

A significant event for **Micro, Small, and Medium Enterprises (MSMEs)** and startups took place at **Dr. Ambedkar International Centre in New Delhi**. Distinguished guests, including bankers and Credit Information Bureau (CIBIL) officers, were invited to address the MSME participants.

This event catered to the needs of **MSMEs and startup entrepreneurs**, aiming to offer them valuable mentorship and guidance. It was specifically designed to address any financial challenges they might be encountering and to foster a better understanding of the banking processes.

Additionally, attendees were informed about government schemes that could prove advantageous for their businesses. The event served as an interactive platform where numerous questions and concerns from entrepreneurs and startups were addressed, and a commitment was made to continue supporting them in the future.
